The 1949 **EAGLE**

Presented by
THE SOPHOMORE CLASS
HINDS JUNIOR COLLEGE
Raymond, Mississippi

Hinds Community College District

The future beckons and we turn our footsteps in that direction, determining to overcome anything that may stand between us and success. But no matter how many obstacles we may meet along the way as we delve into the future, there will be, to make each Hill of Difficulty seem a "flowery bed of ease," a pleasant memory—a memory of a friend, a joke, or a teacher at Hinds Junior College, a memory that we have long cherished and one we hope never to forget. The college Yearbook should serve the purpose of bringing to life once more the treasured memories of those past, yet ever-present days.

Foreword

Time cannot steal from us
the many acquaintances
and friendships t h a t we
have made at Hinds Junior College. As a part
of the academic and the vocational units, we
have each played an important part in making
the year a success. With this thought in mind
and with a desire to show our love, admiration,
and appreciation to our fellow classmates for
being the amiable material from w h i c h we

could make our year-
book, w e dedicate
this i s s u e of the
"EAGLE" to them.

The Eagles finished the 1948 season with seven wins, two losses, and one tie. They were invited to play in the Spindle Top Bowl in Beaumont, Texas. This invitation was the fourth straight year that the Eagles were invited to a bowl game. They played Lamar Junior College and lost a hard fought contest 21 to 0.

Manager
"Turtle" Tuberville

The Hinds Eagles Cage squad, coached by A. L. Denton, swept through their regular season with 17 wins stacked up against only 5 losses. With a total of 1515 points to their opponents 1168, the team finished with the high average of 67½ points per game.

After winning an overwhelming victory the first night of tournament play, the Eagles were unexpectedly upset by darkhorse Poplarville the second game.

Chosen for All-State was Nick Revon, while Bill Morris captured a place on the second team.

Coach W. H. Gibbes

The Hinds Eaglettes this year breezed through a brilliant undefeated season, winning over Ellisville in the finals of the State tournament. In 23 straight wins, they amassed a total of 1231 points to their opponents 838.

The able coaching of W. H. Gibbes plus plenty of spirit on the part of the girls made possible so impressive a record. With good shooting and equally good guarding, the Eaglettes proved themselves one of the best teams in the school's history.

Girls winning berths on the All-State team were: Betsy Warren, Lida Nell Vaughn and Carolyn Thompson. Leading scorer, Dot Harrison, was awarded Honorable Mention.

The Hinds cinderlemen climaxed a successful track season by copping the state championship for the fifth consecutive year. The squad was a comparatively green team with only 3 returning lettermen from 1948. Several outstanding performances took the spotlight during the year. Nick Revon broke the existing state records in both the high jump and broad jump. The mile relay team and Greg Beriont came within a hair of shattering two other state records.

OUR PATRONS

We of the staff realize more strongly than anyone else the part that the following advertisers played in the publication of the '49 EAGLE. Without them the publication would not have been possible. They bridged the gap between the amount of money we were able to raise and the cost of the book.

Our realizing this is not enough. Each student should make himself realize that a great part of the cost of this book was borne by the firms who paid money so that he might have a memoir of this year at Hinds Junior College.

In fact, you can do more than just realize it if you will. Thumb through the pages of these ads and note the firms who bought space in the advertising section. You will soon be earning and spending your own money. It is our hope that in making a selection of companies with whom you spend your money that you will give a careful consideration to the firms who thought enough of you and your institution to contribute to the publication of this yearbook.
